# Connect

Technology is an integral part of education here at Nagel as well a social network for you. Get Connected @ Nagel will focus on print and digital literacy where

you can learn about some of the latest technologies and get your hands on some of the newest fiction

titles. You will have the opportunity to create, design and play with software or sites in the areas of Photography, Video, Movie Making or Social Networking. Come away with skills that can be applied in the classroom and at home.

## Photography

### Picasa3
